

Pawtucket, R. I.
October 18, 1923.

Many of the progressive cities of the United States have an organization known as "The St. Andrew's Club." Pawtucket is one of the progressive cities that has none.

Frequently has it been suggested that such a club or association be organized here, but, so far, no person has taken the initiative.

The undersigned have taken the liberty of inviting a few of the prominent Scotchmen resident in the Blackstone Valley to attend a meeting to be held on the evening of Tuesday, October 23 at 7:30 o'clock in the rooms of the Business Men's Association on Main Street, Pawtucket, to consider the advisability of organizing a St. Andrew's Club or Association.

You are most cordially invited to attend the meeting and to bring any friends, who, you think, would be interested in promoting such an organization.

The main purpose of the Association would be to have a gathering at least once a year to which prominent men would be invited to speak on subjects that would appeal to a Scottish-born audience.

Yours sincerely
